

IMPORTANT INFORMATION

NOTICE OF ROAD CLOSURES

ADIDAS MANCHESTER MARATHON, SUNDAY 27H APRIL 2025

Please find below best advice on how to find information concerning road closure details for the forthcoming adidas Manchester Marathon specific to **TIMPERLEY**

The adidas Manchester Marathon will travel via Park Road towards Timperley, before taking Stockport Road to complete a loop of Altrincham centre, before returning via Stockport Road, Shaftesbury Avenue and Thorley Lane, before the race continues to proceed north along Brooklands Road. Please see map overleaf including specific timings. More information about the local and wider road closures can be found here: www.manchestermarathon.co.uk/RoadClosures

This route is chosen for the safety of competitors and to facilitate the large number of participants taking part in the event. Consultation occurs with many authorities including Greater Manchester Police, TfGM, and Trafford Council. Emergency services vehicles attending a call have unrestricted access at all times.

If you have additional care needs please ensure your care agency has made contact with us. They need to get in touch via the email address roadclosures@aso-uk.com as soon as possible.

Road opening times are governed not only by the competitors, but also after they have passed through by safety measures in place to protect our workforce removing traffic management controls, and for our teams clearing the roads of infrastructure and litter after the event. Aside from the times outlined there is no vehicle movement or vehicle crossing available at all other times. Drivers using closed roads without

authorisation are liable to Police action.

ROADS WILL BE CLOSED IN THE AREAS BELOW FROM 8:30AM-5.30PM

Residents on Stockport Road - between Timperley crossroads and Shaftesbury Ave (Hare & Hounds pub), or on roads which exit onto Stockport Road.

Residents can leave using the Stockport Road in the direction of the Hare and Hounds until 8.30am, when the main road closes.

They can also use Grove Lane which will give them access to the A56 or the crossover between Moss Lane and Wood Lane up until 9.30am, and then again from 3.15pm.

Residents **MUST** drive slowly as they will be driving on a closed road.

Residents on Shaftesbury Avenue

Residents should park their cars on the south side service road. Doing so will mean that they will be able to leave all day via Seymour Grove onto Wood Lane.

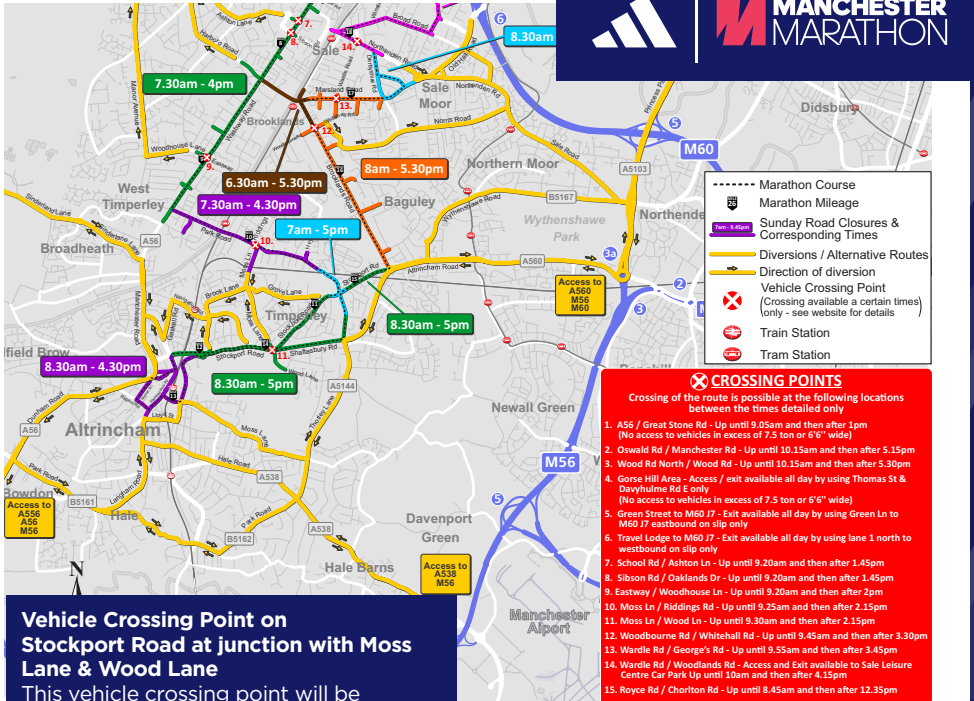

Residents on Stockport Road - between Timperley crossroads and Brooklands roundabout

Residents can leave but **MUST** use Aimson Road West to access Thorley Lane up until 9.30am and then again from 3.15pm.

Residents **MUST** drive slowly as they will be driving on a closed road.

Residents on Thorley Lane, or on roads which exit onto Thorley Lane

Residents can leave using Thorley Lane, but only in the direction of Shaftesbury Avenue up until 9.30am, and then again from 3.15pm (subject to the last participant having passed). Residents **MUST** drive slowly as they will be driving on a closed road.

Please Note: Parking is suspended along on the race route from 11.00pm on Saturday 26th April through to when the roads re-open. Cars parked on the route will be towed.

Whilst we will do our best there is a small potential that the times stated could change in advance, or on the day.

In some unavoidable circumstances access/ egress may be slightly delayed or shorter than stated. In this unlikely instance we will do our best to communicate delays through the stewards at locations.

The map above & a map showing all the wider event road closures is available in a downloadable and printable format on the website. The website also has an interactive map showing the closures and all the

vehicle crossing points.

Please always check the website for the most accurate & up to date road closure information in the lead up to the event:

www.manchestermarathon.co.uk/RoadClosures

We appreciate the restrictions that the event may place on your movements. We apologise for any inconvenience caused, and would like to thank you for your cooperation and the support of the adidas Manchester Marathon.

If you have any questions or would like more details, then please get in touch at **roadclosures@aso-uk.com**

For residents who wish to get more involved on event day, we offer the opportunity to support the thousands of participants and charity fundraisers by volunteering at the event. Anyone interested in volunteering opportunities can visit the volunteer website for more information: **www.manchestermarathon.co.uk/volunteer-faqs**
